1. How does Credit Maximizer work?

CREDIT MAXIMIZER works very much like running defrag on your computer hard drive. Instead we defrag your credit report. Our proprietary software puts all the information in the correct places. Due to trade secrets and intellectual property, we cannot reveal any more information.**This is not credit repair, for credit repair please visit www.engineeringcredit.com.

CREDIT MAXIMIZER was created by a mortgage banker with 15 years finance and credit repair experience

2. Do you run my credit report?

No, we do not run your credit report but require that you submit a credit report from your online monitoring account that you use to monitor your credit and it is consider a soft pull and not a hard pull. If you buy your credit report then it will be consider a hard pull which we do not advise for you to do so.

3. How many points will my credit score go up?

On average about 22 points per each bureau, we have a 98% success rate and remember we offer a money back guarantee if your score does not increase by 10 points.

4. Does this service update all 3 of my credit scores?

Yes, our program is inputs directly to the 3 major credit bureaus.

5. How long does it take to update my credit scores?

The credit bureau's take about 15-25 business days to update. We process orders after 72 hours of receiving you application and payment clearance notification. Your payment has to clear in order for the services to be activated and we require 3-5 business days to process your order.

6. I've already done credit repair or I am currently doing credit repair. Will credit maximizer help?

Yes, credit maximizer will help and does not affect your credit repair. We strongly recommend doing credit maximizer in addition to credit repair.

7. What type of credit does Credit Maximizer work with?

All types, we make low scores higher and good scores stellar. It doesn't matter if you've had bankruptcies, foreclosure or late payments. These services are for clients that are short on points of 20-25 points per bureau. If you need 30-100+ points than you need our seasoned trade lines in order to boost your score: visit www.paydexengineering.com.

8. Is Credit Maximizer just a quick fix, i.e., 30 days later my score goes back down?

No. This is not temporary. We recommend using credit maximizer every 5 years.

9. I want to use your service for my clients (I am a mortgage broker, credit repair co. accountant) Do you contact my clients?

No. We will never contact your clients. Your information and your clients information is fully secure. Our privacy policy and moral standard clearly state we do not sell, rent, share or trade any information you submit.

10. Do I need a pay pal account to purchase this service?

No. We use pay pal because they are one of the most trusted credit card processing companies in the world. You just enter your order as you would with any online transaction.

11. Can Credit Maximizer make my credit score's go down?

No. Your credit score will never drop by using this service.

12. You charge \$900.00. Is this for each credit bureau?

No. This is an all in one price. We submit your information to all 3 major credit bureaus.

13. I am a mortgage professional and could use this for all of my clients. Do you offer discounts for volume?

Not at this time

14. If my credit scores didn't go up at least 10 points through one of the credit bureaus, how do I get a refund? Are there any process fees that I will get charged?

Simply email us and we will email you a refund request form. We process refunds within 3-5 business days. Yes there is a \$150 processing fee that will be access and deducted from your initial payment.

15. Is my credit card information safe?

Yes. We use pay pal for credit card processing, the most trusted processor on the internet. Credit Maximizer.com does not have access to your credit card information.

16. Do you offer an express service (faster than 30 days for the update)?

No. It takes 30 days for the information to populate at the credit bureaus mainframe computers. If this process was done manually, it would take 9 to 12 months to get the same results.

17. Is Credit Maximizer legal?

Yes, 100% legal

18. Will Credit Maximizer remove incorrect info from my credit report?

No, we will not remove any info from your credit report; this can only be done through credit repair and disputing incorrect and old information contained on your credit report: visit www.engineeringcredit.com for credit repair.
